- Hotels/Food Courts.
- Bank / ATM's.
- Retail Outlet/FMCG.
- Educational Institutions.
- Manufacturing Units.
- Hospitals/Schools.
- Residential Societies.
- Warehouses.
- Business Centres.

Security Guards:-

Security Guards are basically required for the security of a particular place and people. Following are the type of security guard services in Pan India.

Static Guards: - Static guard is designated a specific area where the duty is to guard that specific area during the duty hours. Static Guards are usually assigned at entrances and exits.

Patroling Guards: - Patrol guard is mobile. A patrol guard covers a bigger area as designed. He would have to move around keeping the whole area in his watch.

Personal Security Officers: - The prior responsibility for a PSO is to protect the principal against any possible threats. A PSO is required to do his duty within the confines of the given tasks and is required to operate alone or as part of a team both in armed and unarmed roles.

Marshals: - Marshals are responsible for leading and organizing security for the completion of a particular purpose.

CASH MANAGEMENT

ROCKWELL

Cash Management :-

Rockwell Cash Management Solutions provides a wide rang of specialized Cash Management Services. These are facilitated by state-of-the-art infrastructure, comprising of Vaults, Cash Processing Centres, Bullet Proof/Non-Bullet Proof and Customized Vans with an elaborate communication & tracking network, A round-the-clock Operations Control Room ensures intimate monitoring and response generation.

Our operating procedures and skilled manpower ensure high-end quality service with utmost security. Our scope of services includes, Cash-in-Transit, ATM Management / Total Kiosk Management, Cash Processing Static Cashiers, Vaulting and Bullion Management. Services may also be customized according to the client's requirements.

Security Supervisor:-

Supervise and oversee security functions in an organization. Train and schedule programs and functions to security personnel. Evaluate, assess and analyze performance of security personnel. Initiate disciplinary measures wherever necessary. Develop and implement preventative measures against accidents, thefts and other risks. Ensure compliance of applicable policies and regulations while implementing security measures.

Lady Guards:-

With the growth in the rate of crime women security guards are required everywhere whether it is a mall, hospital, hotel, restaurant, airport or any corporate offices. You will witness women security guards positioned there along with men security guards. All these places are vulnerable to theft and robbery. Thus the presence of security guards becomes necessary at such places. Most of the time women become the target robbers and anti-social elements because they are considered to be as weaker sections of the society on the contrary there are many ladies who are also involved in various criminal activities. In order to protect the ladies of the society and stop the anti-social female elements of the society. The presence of lady security guard becomes a necessity.
